

## ABOUT E-TICKETS!

Westfield Theatre tickets for our main stage productions are now **e-tickets**. Starting with this year's winter main stage, *The Crucible*, you can print your e-tickets from the comfort of your own home and avoid standing in a Will Call line at the performance. You can purchase tickets online as you always have, but now your tickets will be delivered to you by e-mail. Tickets for *The Crucible* will be go on sale Monday, January 23.

**To purchase your e-tickets to our main stage shows, please visit [www.westfieldtheatreboosters.com](http://www.westfieldtheatreboosters.com).**

The benefits of e-tickets:

- No more standing in Will Call lines. You can arrive just prior to showtime without worrying about picking up your tickets at Will Call first. However, arrive early enough to enjoy delicious snacks and drinks from our concessions and purchase StarGrams for the cast and crew before the performance.
- Purchase online tickets through the DAY OF the performance up until 2 ½ hours prior to showtime
- Unable to print or forget to bring your e-tickets? We'll have an attendees list at the Box Office to confirm your purchase and seats.
- E-tickets are still \$10 online
- **\*\*Important\*\***Booster comp and guest tickets will be emailed to booster members to print and bring with them. No Will Call lines. The procedure to request your comp/guest tickets will remain the same, but you'll receive your e-ticket through email.  
See **How To Request Comp Tickets** on our website.

Please pass this on to your friends and families who may wish to see a Westfield performance. They can visit our website as well to purchase their e-tickets.

We will continue to sell tickets at our Box Office, so walk-ins are still welcome. Box Office ticket prices will remain at \$12 and tickets for children and students with an ID will be \$10.
